- 

## PROJECTS:

### 1. Project Title: CRUD Application

**Technologies:** HTML, CSS, JavaScript, Django, SQL

**Tool :** VS Code

**Description:** A CRUD application designed to manage user data efficiently, allowing users to create, read, update, and delete records. Ideal for businesses needing streamlined data operations.

### 2. Project Title: Student Management System

**Technologies :** HTML, CSS, JavaScript, SQL

**Tool :** VS Code

**Description :** A comprehensive system for educational institutions to manage student enrollment, grading, and attendance. This tool simplifies administrative tasks and enhances communication.

**3. Project Title :** Quiz Game

**Technologies :** Python

**Tool :** VS Code

**Description :** An interactive quiz game testing users' knowledge on various topics, perfect for educational settings while tracking user scores and progress.

**4. Project Title :** My Portfolio

**Technologies:** HTML, CSS, JavaScript

**Tool :** VS Code

**Description:** A personal portfolio showcasing projects and skills, designed to highlight work and expertise as a professional online presence for potential employers and clients.
