Murthujavali Pinjari

- **Email:** murthujavali78618@gmail.com
- **Contact:** +91 9100850087
- **Portfolio:** MurthuPortfolio

CAREER OBJECTIVE:

- To leverage my technical skills and abilities to contribute to the growth of the organization and build a professional career.
- To continuously develop my programming and software development skills through practical experience and ongoing learning.
- To work collaboratively within a dynamic team to deliver innovative and efficient technological solutions.
- To utilize my problem-solving abilities to tackle challenging projects and drive organizational success.
- To stay abreast of emerging technologies and industry trends to ensure the application of cutting-edge solutions.

ACADEMIC PROFILE:

- **B. Tech, Santhiram Engineering College** - 80% (2024)
- **Intermediate (MPC), KNR Memorial Junior College** - 74% (2020)
- **SSC, Sri Raja Rajeswari High School** - 85% (2018)

TECHNICAL SKILLS:

- **Programming Languages:** C, Python, Java
- **Frameworks:** Django
- **Database Management:** SQL, MySQL
- **Front-End Technologies:** HTML, CSS, JavaScript, jQuery, React, Bootstrap
- **Version Control:** Git
- **Software Tools:** Microsoft Office
- **Operating Systems:** Windows, Linux, MacOS
- **Additional Skills:** Strong collaboration and communication, good problem-solving, self-motivated with a strong desire to learn and grow in any environment.

PROJECTS:

Project: MySnaps.com

Description: Developed a dynamic web application for a photo-sharing platform. Implemented user authentication, photo uploads, and social sharing features using **HTML**, **CSS**, **JavaScript**, and **Django**. Integrated **MySQL** for database management and optimized performance for high-traffic scenarios.

CRUD Application

Description: Designed and built a **CRUD (Create, Read, Update, Delete)** application to manage user data efficiently. Utilized for front-end development and **Django** for the back-end. Employed **MySQL** as the database, ensuring robust data handling and real-time operations.

Student Management System

Description: Created a comprehensive **Student Management System** for educational institutions. Developed features for student enrollment, grading, and attendance tracking using **Html,Css,Javascript** and . **MySQL** for reliable data storage.

Connect My Documents

Description: Engineered a secure document management system facilitating document storage, sharing, and collaboration. Utilized **Angular** for front-end development and **Django** for the back-end. Ensured and **PostgreSQL** database.

Image Uploader

Description: Developed an efficient **Image Uploader** application enabling users to upload and manage images. Employed **Python** with **Django** for the back-end and **Bootstrap** for responsive design. scalable image storage and **MySQL** for lightweight data management.

ACHIEVEMENTS & WORKSHOPS:

- **2nd Prize, Smart India Hackathon 2023**
- **Essay Writing Competition, Santhiram Engineering College** - Participant
- **Coding Competition, Santhiram Engineering College** - Co-ordinator
- **IEEE Vice Chair** - Santhiram Engineering College
- **IEEE SSC Workshop, JNTU Hyderabad** - Participant
- **IEEE UMANG 2023 Workshop, RGM College** - Participant
- **Computer Programming Workshop, Annamacharya Institute of Science and Technology** - Participant

CERTIFICATIONS:

- **Python Fundamentals, HackerRank**
- **HTML Certification, SoloLearn**
- **Java Certification, SoloLearn**
- **SQL Certification, HackerRank**
- **Python Data Structures, SoloLearn**
- **JavaScript, SoloLearn**
- **Web Development, Udemy**
- **National Level Quiz Competition** - Certification

PERSONAL INFORMATION:

- **Father's Name:** P. Dargaiah
- **Date of Birth:** 14th June, 2003
- **Address:** Dno:1-82, Edurupadu, Kurnool-518422
- **Hobbies and Interests:** Cricket, Farming, Singing
